

Half the Sky Foundation

Dear Parents,

Half the Sky will be delighted to send you any progress reports and files we may have on file for your child.

Please understand, however, that we do not have progress reports or other information regarding children who did not participate in Half the Sky programs. Also, please send us this form AFTER you bring your child home. We can send you progress reports only after your child is adopted and living in your home.

If we have progress reports for your child, we will send them as soon as we are able. Please be patient; we receive many, many requests. We may have progress reports for children adopted from the following institutions after the dates noted below:

If your child lived in one of the above institutions after the dates cited above, please fill out the form below and send it to us so we can check our files and send you any information we may find. Please send the filled-out-form to:

Mailing Address:

Half the Sky Foundation
715 Hearst Avenue, Ste. 200
Berkeley, CA 94710 USA

You may also fax the form to us at +1.510.525.3611
or scan and email to contact@halfthesky.org.

Half the Sky does not charge anything to send you the reports. However, we suggest a donation of \$300, which contributes to the cost that HTS spends to provide nurture and enrichment for a child for one year.

Requests for reports flood our office and take a good deal of our sponsorship coordinators' time—time they could be spending attending to the children still in our programs, still in the orphanage. That is why we ask for your help. Please realize that the donation is voluntary and that we are grateful for any amount you can send. The funds help us continue our work to help the children who remain in China's welfare institutions.

NOTE: WHEN YOU FILL OUT THE FORM, PLEASE PRINT OR TYPE SO WE CAN ACCURATELY READ YOUR CONTACT INFORMATION.
