### Areas of Interest

I am interested in:

Connecting with other volunteers in my area to help with fundraising events, some that do not require much time and/or other larger events that require more volunteer hours.

Joining an online action group for Half the Sky's network of Volunteers. Connect with volunteers around the world by joining this group!

Helping with Half the Sky's annual October Auction.

Applying for the limited number of spaces available for a workcrew position on a build in China.

Helping a build on the homefront by spreading the word about a new center and the children available there for sponsorship and/or other fundraising.

I have editing/graphic design skills that may be useful to Half the Sky and would like to help.

I live near Berkeley, California and would like to help with office work.

I am an adoptive parent.

My child/children's name, age, and place of adoption is:
